**Personnel:**

Todd Fuder, math/ technology teacher and webmaster is resigning effective October 15. He has accepted a position at Tyndall AFB with a civilian contractor. He will stay on, though, as webmaster.

Jennifer Sims, fifth grade teacher is resigning effective October 15. She will be entering the youth ministry full time.

We are advertising for the positions and plan to interview and fill by October 8, 2010.

**Students:**

Our fall sports are underway. Our Girls' volleyball team is playing hard and giving the fans some exciting matches. Our Boys' football team is equally as enthusiastic. We had our first night game with our new rivals, North Bay Haven on September 21. It was exciting to play under the lights, beat the Bucs and establish a great tradition. Our next night game will be on October 19 at 6 PM when we will play the Bozeman Bucks.

"Expectations" middle school assemblies were held this week to remind students of our "higher expectations" of them which we feel is a key to our "greater achievement."

October 15 is the last day of the first nine weeks. Student performance and attendance statistics will follow in the November Board Report.

PTSP is hosting its annual fall festival on Saturday, October 16, from 9AM until 3 PM. Please bring the family for funs and games! I will be in the dunking booth at 11:00. Come on by and try to dunk your principal! Mrs. Manfredi and a number of our teachers are going to be great sports and get wet as well.

**Facility:** Please refer to Chuck Polk's report on geothermal.
