

Grant Updates

October 1, 2010

Dissemination Grant:

Trish Eidson is working 15 hours a week as an instructional specialist at Patterson-her time at Patterson is paid solely through the grant award.

Math Night was held on September 30th at Patterson. Our PDT and Pru Mason helped with set up and running centers.

Patterson's faculty will be visiting the BH campus in their mentors' classrooms during October on a rotating basis.

Bealls Department Store has opened a Bealls and Whistles Grant opportunity. The deadline for the grant is Dec. 31st and we will be submitting two or three grants in total: BHCA, Inc., BHCA, and NBH.

November 7-10: Charter School Conference in Orlando. BHCA, Inc. will be well represented at the conference. We were invited to participate in the School Showcase Poster Session which will highlight our schools' accomplishments, the PDT will be delivering a break-out session on our ground-breaking professional development that we have in house, and Tammy will be presenting with Dade County about the Dissemination Grant process. We will also be attending session relating to legislation affecting charter schools, financial workshops, along with profession development topics.

Respectfully Submitted,

Tammy Graham
